

DETAILS

MAKE: BURSTNER T725

No: 3/49

Burstner's New Solano T725 motorhome is built on a 4 tonne maxi chassis with a 2.3 Litre 130Bhp Fiat TD with a 6-speed gearbox, front wheel drive, cruise control, electric windows and heated mirrors, cab air-conditioning, ABS, driver & passenger airbags and a large diesel tank. With 2 berths and 4 belted seats, the t725 is the Island Bed Layout addition to Burstner's Solano range. The bedroom features a large double bed accessible from both sides, which also includes two bedside wardrobes, lockers, and overhead spotlights with 2 directional lights for nighttime reading. There is room for plenty of storage under the bed with additional storage accessible externally. With a dining table extension and a side facing single lounge, the dining area accommodates 5 people comfortably and also features a large skylight. The kitchen is fitted with a fridge, separate freezer, an oven and grill a 3-burner hob. The washroom features blown warm air, a curved Perspex shower door with an additional opaque folding shower door, concealing the showerhead and a foldaway wooden shower seat. This motor home is finished to a high standard with a very luxurious layout that includes on-the-road heating for the habitation area. Flatscreen TV brackets are fitted in the living and bedroom areas. This motorhome also features Burstner's attractive signature silver exterior finish.
