MAKE: IXEO IT664

No 4/46

This Ixeo T664 is very elegant with a champagne exterior and low fixed bed to the rear. Burstner have launched the new Ixeo with the hubbet drop down bed mechanism, where a full sized double bed drops down from the dining area. This allows the Ixeo to combine the advantages of driving a compact low profile with the luxury sleeping arrangements available in an A-class. The IT664 is built on a 2.3 litre Fiat JTD 3.5 tonne with a 6 speed gearbox, front wheel drive, cruise control, electric windows, heated mirrors, cab air-conditioning, alloy wheels, ABS and driver & passenger airbags. Captain seats swivel into the dinning table, which extends to comfortably accommodate 5 people. The Side-facing lounge is spacious with storage cabinet built into the side. A low fixed double bed is located to the rear with external storage and also features directional spotlights and fitted cabinets. The L-shaped kitchen is positioned behind the dining area and is fitted with a fridge with full width freezer, an oven and grill, a 3-burner hob and sink under a glass hinged top. A flatscreen TV bracket is also fitted. The washroom is bright and spacious with blown warm air a wood shower tray and with clear Perspex shower doors.

EXTRAS: 2 bike rack, alloy wheels, cab aircon, electric step, cruise control.
