

MOTORHOME TECHNICIAN / ENGINEER

Anchor Point Motorhomes are a family run Motorhome Sales & Service business based in Birdhill, Co. Tipperary selling, servicing & maintaining New & used Motorhomes & Campervans.

We are main agents for Burstner, Westfalia, Knaus and Weinsberg

We have a position for an extremely motivated Motorhome Technician / Engineer within our service workshop.

Successful applicants will ideally have industry qualifications or previous experience in the Motorhome, Caravan, Marine or similar industry or a good practical, multi skilled background as you will be undertaking all aspects of motorhome habitation servicing, Pre-delivery Inspections, technical customer walk throughs, upgrades and fitted extras, a good understanding of electrical installations will be extremely beneficial.

Successful candidates must be Customer and service focused, have superb attention to detail, will have a tidy work ethic, be organised mentality as well as being physically fit, reliable, hardworking, have a positive attitude, able to work as part of our friendly team or autonomously and can use their own initiative.

RGI qualification would be an advantage but not essential.

A full driving license is a requirement for this position.

The role will include a variety of duties including general fault finding and repairs, Servicing, Habitation checks, fitting of solar panels, bike racks, TV systems, awnings and general motorhome accessories etc...

You will be assisting the team by carrying out accurate and skilful services and repairs whilst detecting and diagnosing any additional faults. Ensuring all work is completed safely and to a high standard of workmanship to achieve the customers satisfaction and expectations.

Everyday jobs will include:

- Habitation and Water Ingress Inspection
- Woodwork – Internal repairs
- Gas Repairs and installation
- 12v and 240-volt repairs and installation
- Heating system diagnosis and repairs
- Fitting of accessories: Bike Racks, Awnings, TV aerials and Solar Panels
- Electrical diagnosis and repairs
- Warranty diagnosis and repairs
- Preparation (Valeting) of motorhomes for showroom and customer collection
- Technical walkthroughs for customers on collection
- Creating a happy working environment

Personal Specification

- Languages - must be fluent in English and be able to write competently
- Excellent verbal communication skills – having the ability to convey information verbally to fellow team members and customers
- Stability under pressure - reacts well to change and stays positive despite setbacks
- Able to work as part of a team
- Able to adapt to the company's needs in the way we deliver our service
- Reliable and takes pride in the quality of their work

This is a full time, permanent position with an immediate start date available. The position is for a 5-day week, working Monday – Friday 9.00 – 17.00.

Starting basic can be discussed depending on each candidate's previous experience, and qualifications.

Successful candidates can enjoy a rewarding long-term career in a relaxed enjoyable working environment.
