Role Overview

The Motorhome Technician role is to support our Technical and Engineering Team in general fault finding and repairs, servicing, habitation checks, fitting of solar panels, bike racks, TV systems, awnings and general motorhome accessories etc. Responsible for general maintenance and helping to keep the workshop running efficiently. Successful candidates must be customer and service focused, have superb attention to detail, will have a tidy work ethic, be organised mentality as well as being physically fit, reliable, hardworking, have a positive attitude, able to work as part of our friendly team or autonomously and can use their own initiative.

Key Responsibilities

Motorhome Technician — Primary Role

- Fitting of accessories: Bike Racks, Awnings, TV aerials and Solar Panels
- Habitation and Water Ingress Inspection
- Gas Repairs and installation / 12v and 240-volt repairs and installation
- Heating system diagnosis and repairs
- Woodwork – Internal repairs
- Warranty diagnosis and repairs
- Identifying and reporting any cosmetic damage, damp or defects observed during preparation

Workshop Support — Secondary Role

- Assist technicians with general maintenance and repair tasks as directed
- Support with habitation service preparation — running checks, topping up fluids, basic functional tests
- Move and position vehicles on site as required
- Keep the workshop area clean, tidy and well-organised
- Assist with receipt, checking and storage of parts and consumables
- Carry out any other reasonable tasks to support the workshop team

Personal Specification

Essential

- A hard-working, reliable and conscientious individual with high personal standards
- Good attention to detail — takes pride in producing a quality finish
- Physically fit and comfortable working outdoors in all weather conditions
- Full, clean driving licence
- Able to work well independently and as part of a small team
- Languages - must be fluent in English and be able to write competently

Desirable

- RGI qualification would be an advantage but not essential
- Interest in motorhomes, campervans or the leisure vehicle industry

What We Offer

On the job training is provided in a caring and supportive working environment. Starting basic can be discussed depending on each candidate's previous experience, and qualifications.
